Team Building Endeavours

We are re-introducing a staff appreciation program which involves staff & parental participation. We request parents to nominate a staff member as 'Employee of the Month' for something they did by going out of their way to improve: the quality of care/program delivery/ facility maintenance/ team spirit or parent-partnership. Please send in your nominations to the Director by email with a brief note on your reason for nomination. Winner will be chosen by draw and will be awarded a prize as a token of appreciation.
